

Jason is an accomplished executive with a strong track record of driving business growth and leading high-performing teams. With over 33 years of experience in the technology industry, he has consistently demonstrated his ability to navigate complex challenges and deliver exceptional results.

Jason has held various executive roles in renowned technology firms, where he honed his expertise in strategy and business development, marketing, and stakeholder relations. He has a proven ability to identify emerging market trends and translate them into actionable strategies that drive sustainable business growth. Jason's strategic insights and keen business acumen have resulted in the successful launch of several ground-breaking initiatives and solutions.

Throughout his career, Jason has fostered a culture of excellence and collaboration within his teams. He firmly believes in empowering individuals to unleash their full potential and encouraging a growth mindset. By fostering an environment of continuous learning and innovation, Jason has cultivated high-performing teams that consistently deliver exceptional results and exceed customer expectations.

In addition to his professional achievements, Jason is committed to giving back to the community. He actively participates in community initiatives; the highlights are summarised below:

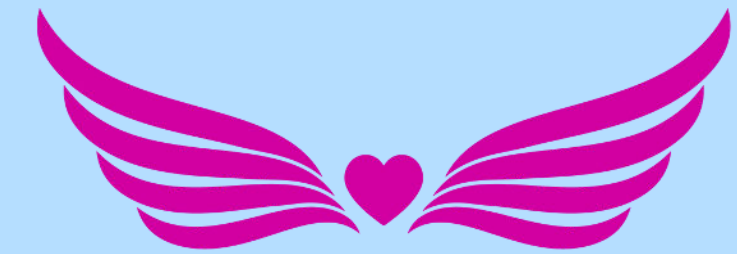

- Deputy Chair Regional Development Australia Sunshine Coast. A not-for-profit, community-based organisation whose vision is to create an innovative, dynamic, connected, and sustainable Sunshine Coast, RDASC has facilitated over \$50M in grant funding to the Sunshine Coast since Jason joined the new board in 2018.
- President Mountain Creek State High School P&C. Running two businesses with 10 employees, Jason has transformed this not-for-profit organisation, improved governance and delivering over \$750K in donations to the school during his five year tenure.
- Founding Director and Immediate Past Chair of the Sunshine Coast Business Council. A not-for-profit industry peak body formed in 2004, Jason was instrumental in developing a sustainable business model that sees the SCBC operate successfully to this day.
- During his time as General Manager of Telstra Country Wide he was actively involved in developing and supporting various community fundraising initiatives including Wishlist, Give Me Five for Kids, Cindy McKenzie Breast Cancer Foundation, STEPS Pathways and the Solution Network.

Jason holds an MBA from UniSC, is a Graduate of the AICD's Company Directors Course and continues to invest in his professional development through ongoing learning and executive education programs.

He is a proud father of six who loves to spend his time with family, exercising, playing cricket and guitar.

Summary of Corporate Executive and Senior Management Roles:

- National General Manager - Telstra
- Qld State Manager – Telstra
- Acting Managing Director - Telstra
- Area General Manager - Telstra
